Re: Letter of Self-Introduction for Visa Application

Dear Sir or Madam:

I, Mr. / Ms. (Name) : _____ would like to submit this
letter instead of V39A because

* Please state the reason why you cannot prepare V39A for this trip.

* Only Singapore citizen or holder of permanent resident status in Singapore can
provide V39A.

* V39A を提出できない理由を記入してください。

* V39A はシンガポール人またはシンガポールで永住権を持っている方のみ作成でき
ます。

I understand that without V39A(Letter of Introduction), my visa application may be
delayed and could possibly be rejected.

I will never be a public burden during my stay in Singapore and never cause you trouble
of any kind, financial or otherwise.

Therefore, I would appreciate it very much, if you could approve my visa application.

Sincerely,
