# Private Kabuki Entertainment!

Kabuki, a Japanese traditional performing art, was created 400 years ago in the Edo period. Its audience was made up of common people, thus Kabuki incorporated modern manners and customs of the day so that it could be understood easily by anyone. For your introduction to Kabuki experience today, we propose you 'fresh' and 'private' Kabuki entertainment show, which is readily acceptable styled and much more fun to watch. You can also enjoy various collaboration entertainments with other Japanese traditional art performances, for example, live performances of Japanese traditional instruments, performance show of Ninja and Samurai etc. Keeping with the important rules of Kabuki, the passionate actors will give you a totally new entertainment!
