### Travel in style with “Royal Road Premium”

This spring, we are introducing the very first JTB brand’s luxury coach, ideal for sightseeing and VIP transportation. This first class coach is designed to meet the needs and desires of high-end travel enthusiasts, equipped with: 11 widespread comfortable leather seats with privacy compartments & personal TV monitor (where normally 49 seats are placed in similar size coaches), widely stretched windows to enjoy the panoramic views, pantry countertop for serving drinks & snacks, spacious restroom in the rear end of the vehicle, and air purifier using ©Sharp's unique Plasmacluster technology.

JTB Royal Road Ginza Global Lounge Ginza has been handling tailor-made tour operations throughout Japan for both corporate related matters (MICE, CEO business trips, etc.) and private leisure travel. Please feel free to inquire us about our luxury coach or anything related to custom made tours\*.

\*Please be aware of our tour handling policy: Ordering two out of the following three basic tour arrangement components are crucial to be of your service, A. accommodation B. language tour guides and C. vehicle charter.
